COMMENTS

Approximate time in minutes (1 h = 60 min)

ATTENTION

The assigned service times only include operations which are quoted in the owner's manual. The calculated times may differ due to a higher or lower annual mileage. Your authorized KTM dealer will advise you of the precise scope of the service and the time required. Assembling of non-standard accessories, cleaning and possible complications/problems will be charged additionally.

Any further work that results from the required work or from the recommended work must be ordered separately and can be invoiced separately. In respect of individual country variants, the service times may differ according to the equipment.

Valid until
model year 2017 (Street)
model year 2018 (Offroad)

Stand: June 2017
